

# Student **Lighting Design** Awards **2009**

## **Student Lighting Designer of the Year**

Name: **Beth Jackson**  
University: **Edinburgh College of Art**  
Course: **Product Design**  
**Prototype: Air**  
Material: **Aluminum**  
**and opal acrylic**  
Light Source: **LED**

# Student **Lighting Design** Awards **2009**

## Children's Student Lighting Designer of the Year

Name: **Faye Whitear**  
University: **Coventry University**  
Course: **Mdes consumer product design**  
**Prototype: Nuno**  
Material: **Hytrel and silicone**  
Light Source: **LED**

SPEARMARK

Child Safe Lighting

# Student **Lighting Design** Awards **2009**

## **Second & Philips Award**

Name: **Chris Natt**  
University: Brunel University  
Course: Industrial Design & Technology BA  
**Prototype:** **Stimuli Light 3.0**  
Material: Stainless Steel, ABS, Acrylic, Foam  
Light Source: LED

# PHILIPS

**där**  
lighting group

# Student **Lighting Design** Awards **2009**

## **Third**

Name: **Fergus Taylor**  
University: Buckinghamshire New University  
Course: Contemporary Furniture & related Product Design  
**Prototype: Poised**  
Material: Polypropylene  
Light Source: CFL

total **lighting**

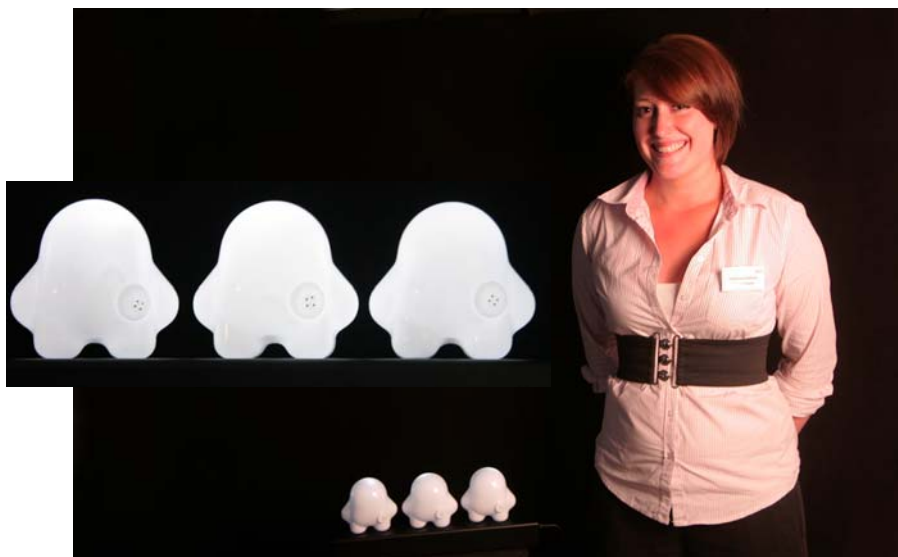

# Student **Lighting Design** Awards **2009**

## **Philips Award & Best Flatwork**

Name: **Catherine Gibbins**  
University: Nottingham Trent University  
Course: Furniture and Product Design  
**Prototype:** **tom dick and harry**  
Material: High Impact Polystyrene  
Light Source: LED

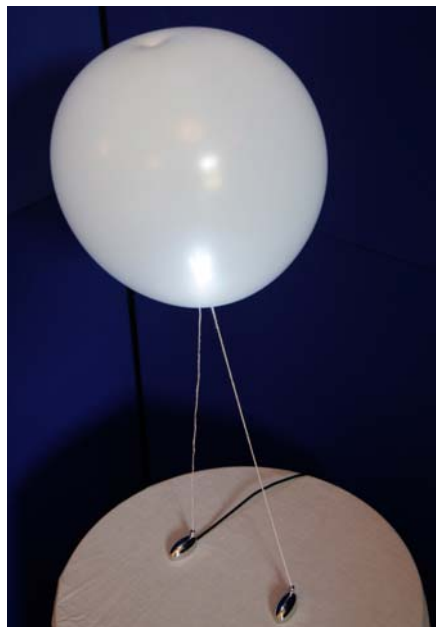

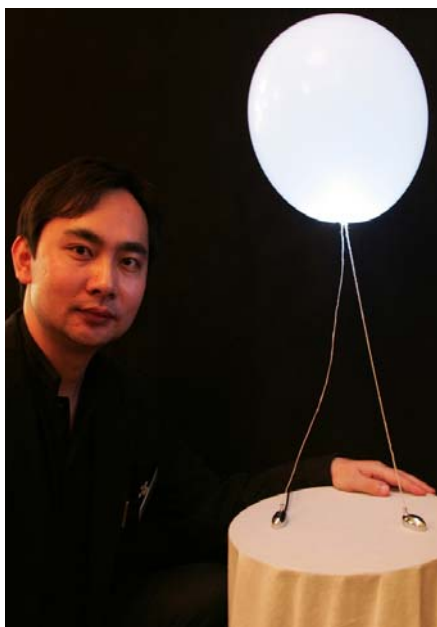

# PHILIPS

# Student **Lighting Design** Awards **2009**

## Highly Commended

Name: **Bo Liang**  
University: Central Saint Martins College of Art and Design  
Course: MA Industrial Design  
**Prototype:** **Floating work lamp**  
Material: Chrome, Rubber, Plastic  
Light Source: LED

# Student **Lighting Design** Awards **2009**

## Highly Commended

Name: **Cristiana Ionescu**  
University: Buckinghamshire New University  
Course: Contemporary Furniture & related Product Design  
**Prototype: No. 8**  
Material: Metal and card  
Light Source: CFL

# Student **Lighting Design** Awards **2009**

## Highly Commended

Name: **James Griffiths**  
University: Aston University  
Course: Industrial Design  
**Prototype: Hub**  
Material: ABS and steel  
Light Source: LED

# Student **Lighting Design** Awards **2009**

## Finalist

Name: **Christopher Handley**  
University: Swansea Metropolitan University  
Course: Product Design  
**Prototype:** **Aura**  
Material: Projector  
Light Source: Cellulose acetate  
and polyethylene terephthalate glyco

# Student **Lighting Design** Awards **2009**

## Finalist

Name: **Killian Murphy**  
University: **Staffordshire University**  
Course: **Product Innovation**  
**Prototype:** **Night Buddies**  
Material: **Acrylic**  
Light Source: **LED**

# Student **Lighting Design** Awards **2009**

## Finalist

Name: **Mark Howell**  
University: Nottingham Trent University  
Course: BA (hons) Furniture & Product Design  
**Prototype:** **Halo**  
Material: Injection moulded polymer and steel rod  
Light Source: CFL Ring

# Student **Lighting Design** Awards **2009**

## Finalist

Name: **Miao Hu**  
University: Edinburgh College of Art  
Course: Product Design  
**Prototype: Rainbow Star**  
Material: Silicone rubber and wool felt  
Light Source: LED

# Student **Lighting Design** Awards **2009**

## Finalist

Name: **Mohannad Salim Abdallah**  
University: Coventry University  
Course: Industrial Product Design  
**Prototype: Blue**  
Material: Opaque polypropylene  
Light Source: LED

# Student **Lighting Design** Awards **2009**

## Finalist

Name: **Qu Junyi**  
University: Coventry University  
Course: Automotive Design  
**Prototype: Bathed in Light**  
Material: Stainless Steel  
Light Source: LED

# Student **Lighting Design** Awards **2009**

## Finalist

Name: **Savvas Panagiotou**  
University: Birmingham City University  
Course: Product Design  
**Prototype: OBO Light**  
Material: Acrylic and chromium plated plastic and birch  
Light Source: LED

# Student **Lighting Design** Awards **2009**

## Finalist

Name: **Vinai Mistry**  
University: Hertfordshire University  
Course: **Product Design**  
**Prototype:** Shower Power  
Light Source: LED
