LEDs – Time to Engage? Seminar - Tuesday 7th July 2009

The Lighting Association are pleased to announce a one day seminar on LEDs on July 7th 2009 at the Stratford Manor Hotel, Stratford-upon-Avon.

LEDs are widely regarded as the lighting of the future. The aim of the event is to help luminaire manufacturers better understand the current position of LEDs, where the future lies and to understand if the time is right to engage with LED technology now.

Subjects covered will include:

- History of LED technology
- Current state of the market
- LEDs of the future . how our lighting will look in 2020
- Government policy and road map for efficient lighting
- Commercial lighting
- Energy Saving Recommended LED criteria
- Standards
- Essential design parameters for luminaire designers
- LEDs for technical managers
- Case studies on dedicated LED luminaire design
- EST LED study for social housing
- Next steps

WHO SHOULD ATTEND ?

Key decision makers in luminaire manufacturing/importing companies such as MDs and FDs who will gain a better understanding on whether the time is right to engage with LED technology and how to go about it.
